Figures and Tables

Ensure that the figures and tables are legible. Please also ensure that you refer to your figures in the main text. The proceedings will be printed in gray-scale, and many reviewers print the papers in grayscale. Therefore, if you must use colors for your figures, ensure that the different colors are highly distinguishable in gray-scale.

Citations:

Please list all the cited work in the references section. Declare all the authors of the paper at time of submission. By submitting a manuscript to EPIC 2020, the authors guarantee that the manuscript has not been previously published or accepted for publication in a substantially similar form in any conference or journal. Prepare your paper for minimum plagiarism; acceptance priority will be given to those. The authors also guarantee that no paper that contains significant overlap with the contributions of the submitted paper is under review at another conference or journal, or a workshop with an archived proceeding, or will be submitted to one of them before the EPIC 2020 author notification deadline. Violation of any of these conditions will lead to rejection and forwarding the details of the author(s) to appropriate body.
